Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 01 December 2005 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claims 9-10 have been cancelled as being directed to the invention non-elected.

3. The following is an examiner's statement of reasons for allowance: the limitations reciting a coring tool comprising combination of a hand held stirrer as claimed and a two phase cutter as claimed having a skin piercing blade as claimed in combination with other limitations set forth in claims 1 and 7 are not anticipated or made obvious by the cited prior art. For example, Altman shows a food processing apparatus having coring knives and a pointed tip. Farha shows an apparatus for hollowing out an article having oval shaped cutting portion. Bringham shows a knife having a tapering end. Herrera

Art Unit: 3724

shows a coring device having a skin piercing blade. However, Altman, Farha, Bringham, and Herrera, singly or in combination, do not show a coring tool comprising combination of the hand held stirrer as claimed and the two phase cutter as claimed having the skin piercing blade as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
